

## Return Policy

Customers may request and receive a refund of the purchase price less a 20% restocking fee as follows. In the event a refund is to be made, it will be provided back in the same manner as the original payment. Alternatively, the customer may choose a credit towards the purchase of other goods from ECO ABSORB. Returns and exchange credits are permitted only with an advance written authorization from ECO ABSORBENT TECHNOLOGIES, INC., a California Corporation (“Eco Absorb”). Contact ECO ABSORB to request a Return Merchandise Authorization. Returns for unopened, unused goods will be permitted if requested within 30 days of the date of purchase. All goods shall be returned freight prepaid to ECO ABSORB.
